NOTICE

This plan is proposed by the above debtor.* The debtor attests, under penalty of perjury, that the information stated in this plan is accurate. Creditors cannot vote on this plan. However, creditors may object to this plan being confirmed pursuant to 11 U.S.C. § 1324. Any objection must be in writing and must be filed with the court and served upon the debtor, debtor's attorney (if any), and the chapter 13 trustee not less than 8 days before the date set for the meeting of creditors. Unless an objection is filed and served, the court may confirm this chapter 13 plan. The plan, if confirmed, modifies the rights and duties of the debtor and creditors to the treatment provided in the plan as confirmed, with the following IMPORTANT EXCEPTIONS:

Holders of secured claims will be paid on their secured claims according to this plan unless the secured creditor files a proof of claim in a different amount than that provided in the plan. If a secured creditor files a proof of claim, that creditor will be paid according to that creditor's proof of claim, unless the court orders otherwise.

HOLDERS OF ALL OTHER CLAIMS (INCLUDING PRIORITY CLAIMS, DEFICIENCY CLAIMS, ALL OTHER KINDS OF UNSECURED CLAIMS) MUST TIMELY FILE PROOFS OF CLAIM, OR THEY WILL NOT BE PAID ANY AMOUNT.

A debtor who confirms a chapter 13 plan may be eligible thereafter to receive a discharge of the debts to the extent specified in 11 U.S.C. § 1328.

**Any reference to the singular shall include the plural in the case of joint debtors.*

Case No.: _____

Debtor proposes the following chapter 13 Plan and makes the following declarations:

I. PROPERTIES AND FUTURE EARNINGS OR INCOME SUBJECT TO THE SUPERVISION AND CONTROL OF THE TRUSTEE:

Debtor submits the following to the supervision and control of the trustee:

- A. Payments by debtor of **\$168.51** per month for **53** months. This monthly payment will begin within 30 days of the date the petition was filed.

Debtor will pay 0 % of the allowed claims of general unsecured creditors. If that percentage is less than 100%, the debtor will pay the plan payment stated in this plan for the full term of the plan.

If the allowed general unsecured claims filed by creditors in this case total more than the amount stated in this plan, the debtor will: (1) obtain an order increasing the duration and/or amount of the monthly plan payment to provide for an amount sufficient to pay the above-stated percentage of the allowed claims filed by the unsecured creditors, or (2) obtain an order reducing the stated percentage. Failure to do one of the above may result in dismissal of the case.

If the allowed general unsecured claims filed by creditors in this case total less than the amount stated in this plan, the above monthly plan payment may be sufficient to pay higher than the stated percent to general unsecured creditors. In this event, the debtor must still make the stated plan payment for the full plan term, and the trustee shall disburse said funds in payment of allowed unsecured claims up to payment of 100% thereof.

- B. Amounts necessary for the payment of post-petition claims allowed under 11 U.S.C. § 1305.

- C. Other property: (specify property or indicate none)
NONE

Debtor will pay timely all post-confirmation tax liabilities directly to the appropriate taxing authorities.

II. ORDER OF PAYMENTS; CLASSIFICATION AND TREATMENT OF CLAIMS: Except as otherwise provided in the plan or by court order, the chapter 13 trustee shall disburse all available funds for the payment of claims as follows:

1. ORDER OF PAYMENTS:

1. The chapter 13 trustee's fee up to but not more than the amount accrued on actual payments made to date;
2. Administrative expenses (including but not limited to attorney's fees) in an amount up to but not more than 100 % of each plan payment until paid in full;
3. Pro rata to all other classes up to the monthly amounts set forth in the plan, except that no payment shall be made on Class Five claims until all Class One claims have been paid in full.

2. CLASSIFICATION AND TREATMENT OF CLAIMS:

1. **CLASS ONE** - Allowed unsecured claims entitled to priority under 11 U.S.C. § 507. Debtor will pay Class One claims in full in deferred payments, provided a proof of claim has been filed, as follows:

- 3. CLASS THREE** - Secured claims on real or personal property which are paid in full during the term of the plan, including but not limited to a claim which is not secured solely by a security interest in the debtor's principal residence. Class Three claims will be paid in monthly payments as set forth below. Debtor is the owner of the property serving as collateral, is aware of its condition and, where the secured claim is less than the amount of the debt, believes its value is as set forth below under the heading "Amount of Secured Claim." The value as of the effective date of the plan of the series of payments to be distributed under the plan on account of each secured claim provided for by the plan is equal to the allowed amount of such claim. Any unsecured amount resulting from a deficiency in the value of the collateral is included in Class Five, or if appropriate, in Class One.

The value as of the effective date of the plan of the series of payments to be distributed under the plan on account of each secured claim provided for by the plan is equal to the allowed amount of such claim. To the trustee as part of the plan payment during the life of the plan and thereafter directly to the creditor.

Directly to the creditor

Each creditor will retain its lien until (1) if oversecured, its secured claim is paid in full, or (2) if undersecured, its secured claim is paid in full and the debtor receives a discharge under chapter 13.

Case No.: _____

- 5. CLASS FIVE** - Non-priority Unsecured Claims. Debtor estimates that non-priority general unsecured claims total the sum of \$ 5,173.00. Class Five claims will be paid as follows, subject to the terms of IA herein:

(Check one box only.)

- ☒ Class Five claims (including allowed unsecured amounts from Class Three) are of one class and will be paid pro rata at 0 % of such claims. Unless the plan provides for payment of 100% to unsecured creditors, the debtor will pay all disposable income to the trustee for at least 36 months and will submit statements of income to the trustee on a semi-annual/annual basis. The amount of income shall be reviewed by the trustee who may petition the court to increase the monthly payments for cause.

OR

- ☐ Class Five claims will be divided into subclasses as shown on the attached Exhibit _____ and paid pro rata in each subclass as indicated therein. The Plan provides the same treatment for each claim within each subclass of Class Five. The claims of each subclass are substantially similar and the division into subclasses does not discriminate unfairly.

- 6. CLASS SIX** - Postpetition claims under 11 U.S.C. § 1305. Postpetition claims allowed under 11 U.S.C. § 1305 will be paid in full in equal monthly installments commencing no later than 30 days after entry of an order allowing such claims and concluding on the date of the last payment under the plan, provided sufficient funds are available under the plan or amended plan.

- III. COMPARISON WITH CHAPTER 7** - The value as of the effective date of the plan of property to be distributed under the plan on account of each allowed claim is not less than the amount that would be paid on such claim if the estate of the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date. The percentage distribution to general unsecured creditors in chapter 7 would be (estimate) 0.0 %.
